### **Alliance Group launches Annual Roadshow in September**

Alliance Group is encouraging farmers to attend its Annual Roadshow during September and October.

Twenty-four meetings will be held across the country with the first in Waiau on 26 September and the final event in Akaroa on 22 October.

The market outlook, the co-operative's investment in the global food services sector and its premium portfolio range will be among the topics on the agenda.

"The roadshow is a great opportunity for farmers to hear first-hand from directors and the senior management team about the performance of the business, progress on strategy and new initiatives," says Alliance Chief Executive David Surveyor.

"As New Zealand's only major 100 per cent farmer-owned red meat cooperative, it's vital we meet our farmers and hear what they have to say.

"We appreciate it is a busy time on farms but we encourage our farmers to attend an event in their area, and to bring along friends and neighbours who may be interested in finding out more about becoming an Alliance supplier."

The road-show dates can be found at [www.alliance.co.nz](http://www.alliance.co.nz)
